

Ratio Check Adapters

Ratio Check Adapters for 2-Component Dispense Valves

1250-042-004 2-Hole Adapter for close-ratio materials mounted on dispense valve with adapter nut

1250-042-003 3-Hole Ratio Check Adapter for wide-ratio materials

- ▶ Adapts directly to 2-component automatic and manual dispense valves such as:
 - 2200-250-xxx Dispense Valves
 - 2200-545-xxx Dispense Valves
 - 2200-595-xxx Dispense Valves
- ▶ Measuring cups align easily in each port
- ▶ Properly separates Part-A and Part-B for accurate ratio checks

The end slot allows each outlet port to go below the lip of each measuring cup properly separating Part-A and Part-B

Aluminum Ratio Check Adapters and Nuts:

- 1250-042-003 3-Hole Wide Ratio Adapter
- 1250-042-004 2-Hole Close-Ratio Adapter
- 1250-043 Adapter Nut for 7/8-9 UNC Thread
- 1250-043-001 Adapter Nut for 7/8-14 UNF Thread
